Designpapier -eine Grusskarte im A4 Format?

Wie die Karte hat auch das A4 Papier einen Symbolcharakter. Das Blatt bietet jedoch mehr Raum zum Schreiben z.B. von Briefen. Einladungen lassen sich gestalten, Menu- und Getränkefolgen wunderbar drucken, verzieren mit allerlei aus dem Artwork-Bereich. Es lässt sich als Einlageblatt verwenden oder als Aufleger. Designpapier als transparentes Papierwunder oder nur goldgeprägt. Immer ein Ausdruck für Individualität und Selbstdarstellung.

Wählen Sie für jeden Anlass ein Artoz-Designpapier.

Design paper – a greeting in A4 size?

Like a card, an A4 design paper has a symbolic character. A sheet of paper however, offers more space to create a text, an invitation or menu/beverage list. It is ideal for use as an insert sheet or cover sheet and can be additionally decorated by using elements such as Artwork stickers. Design paper as a transparent transfiguration or with elegant gold embossing: it always expresses individuality. Choose your favourites from our rich collection.

Papier Design - une carte de vœux en format A4 ?

Comme la carte, le papier design A4 possède aussi un symbole caractéristique. La feuille offre cependant plus

d'espace pour l'écriture comme par exemple : carte de menu ou de boissons. Il convient comme intercalaire ou feuille de décoration et peut être décorée par le consommateur avec des éléments de la gamme Artwork. Papier design, un miracle de papier transparent ou avec de prestigieuse impression dorée: donne toujours une expression de présentation individuelle. Sélectionnez vos favoris du riche assortiment papier design Artoz.

Carte design – un biglietto d'auguri in formato A4?

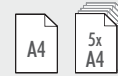

Come il biglietto anche la carta design A4 possiede un carattere simbolico. Il foglio offre comunque più spazio per scrivere: per esempio inviti, menu o lista bevande. Si adatta come intercalare o foglio decorativo e può essere decorato anche con elementi del nostro

assortimento Artwork. Carta design trasparente o con stampa dorata: sempre un' espressione di individualità. Selezionate dal vasto assortimento di carte design quella che preferite.

Papel de Diseño – Una tarjeta/saludo en versión A4?

Tal como la tarjeta también las hojas de diseño cuentan con un carácter simbólico. La hoja A4 de diseño le ofrece más espacio para su texto, por ejemplo para un menú y/o carta de vinos. Es ideal como hoja interior o exterior en la elaboración de tarjetas y puede ser adornado con elementos de Scrapbooking o Artworks. El papel de diseño es siempre una expresión de la individualidad y personalidad, ya sea en su presentación transparente o con estampación en oro. Elija sus favoritos entre nuestro gran surtido de diseños
